**DDIS IS SELECTED FOR THE PROJECT « INNOVATION IN THE HEART OF EUROPE »**

Reunited on Monday, December 13 in Courtrai, the jury of the project “Innovation in the heart of Europe” has selected DDIS to take part in the project.

Financed by the European Commission and the Regional council of Nord-Pas-de-Calais, this project will allow DDIS to profit from the following media plan :

- Realization of a notice board on our innovation. This sign will be integrated in an exposure on [3 places in Flandres and 3 places in Nord-Pas-De-Calais](#) (in “Cité des Entreprises” of Marcq en Baroeul, in “l’Espace International” of Lille, in “Euratechnologie” of Lille, in the CCI of Courtrai, in “Centre Innovation” of Courtrai, in “ maison de la Province de la Flandre occidentale” of Bruges),
- Valorization of this innovation on the trilingual website dedicated to this program: [www.innovationeurope.eu](http://www.innovationeurope.eu) , relayed by the website [www.jinnove.com](http://www.jinnove.com) (13000 visits per month) and its newsletter semi-monthly,
- At the end of the year, realization of a brochure spreaded to a selection of journalists habilitated to relay information.
